PLAKSHA UNIVERSITY

ConfAI 2026

Conference on Artificial Intelligence – 2026

SPONSORSHIP PROPOSAL

October 30 – November 1, 2026 | Plaksha University, Mohali

Hosted by the Harish & Bina Shah School of AI & Computer Science

About Plaksha University

A greenfield technology university representing the bold aspirations of 21st-century India, Plaksha is reimagining technology education and research through an interdisciplinary model that integrates technology, design, entrepreneurship, and social sciences. We are building a thriving research and innovation ecosystem focused on grand challenges — clean energy, sustainable agriculture, digital health, and inclusive education.

NEW INITIATIVES

Harish & Bina Shah School of AI & Computer Science

Hub for interdisciplinary AI research and education

Binny Bansal Institute for Inventing the Future

Frontier research in AI, blockchain, and robotics — backed by the co-founder of Flipkart

About ConfAI

ConfAI is a three-day academic conference hosted by the Harish & Bina Shah School of AI & Computer Science at Plaksha University. It highlights the potential of AI in exploring solutions to societal challenges — fostering collaboration, knowledge sharing, and innovative discussions among AI experts and leaders from industry, academia, and policy.

2022	2023	2025	2026

400+
Abstract Submissions

~5%
Acceptance Rate

18
Expert Reviewers

20
Research Abstracts (Shortlisted)

15
Poster Presentations

34.5%
Women Speakers

11
Invited Eminent Speakers

~100
Registered Attendees

Themes Explored

- Language Models and Translation
- Medical Imaging and Healthcare Applications
- Explorations in AI — Cognitive Modeling, Environmental Intelligence, and Optimization
- Multimodal and Social Computing
- Robustness in Computer Vision

ConfAI Speakers Over the Years

2025

Ms. Debjani Ghosh
Distinguished Fellow,
NITI Aayog

Dr. Rajesh Gupta
Professor & Dean,
HSDSC, UC San Diego

Dr. C.V. Jawahar
Professor & Dean (R&D),
IIIT Hyderabad

Dr. Venkat Padmanabhan
MD, Microsoft Research India
Adjunct Prof., IISc Bangalore

Dr. Mayur Naik
Professor,
University of Pennsylvania

2023

Dr. Partha Talukdar
Principal Scientist and Director,
Google DeepMind

Dr. Rajeev Rastogi
Vice President, Machine Learning,
Amazon

Dr. Vivek Raghavan
Co. Founder,
Sarvam AI

Dr. Siddharth Barman
Associate Professor,
Indian Institute of Science (IISc)

Dr. Shivkumar
Chief Executive Officer,
Anusandhan National Research
Foundation (ANRF)

2022

Dr. Dr. J. Adinarayana
CSRE,
IIT Bombay

Dr. Sriram Rajamani,
Corporate Vice President,
Future of Scalable Software,
CoreAI, Microsoft

Dr. Prashant Warier
Co-Founder & CEO,
Qure.ai

Raghu Dharmaraju
Chief Executive Officer,
ArtPark

Dr. Vinod Ganapathy
Professor,
IISc Bangalore

ConfAI 2026 | At a Glance

Proposed Tracks for ConfAI 2026

01 AI in the Economy

02 AI in Healthcare

03 AI in Sensing

04 Reasoning in Vision Language Models

05 AI4Cities: Enhancing Resilience, Improving Liveability

06 Responsible and Ethical AI

07 AI and Logic: Relations and Applications

BY THE NUMBERS

600+

Attendees at ConfAI 2025

Across academia, industry, policymakers, and edtech companies. E.g., IIT Delhi, IIT Kharagpur, DRDO.

100+*

Projected at ConfAI 2026

2× longer registration window vs 2025*
~80% projected growth

20

Abstract presenters, 2025

60% PhD scholars
20% Post-Doctoral Fellows
20% faculty researchers

20

Abstract presenters, 2026

Similar composition expected

Why Partner with ConfAI 2026

01 Research Exchange & Product Showcase

Dedicated speaking slots to share research, showcase products, or present applied AI work — a format that fits R&D labs, product teams, and industry practitioners alike.

Contribute to a program spanning tracks across healthcare, agriculture, robotics, security, and foundational AI/ML — shaping India's AI agenda across sectors.

02 Network Expansion

Engage directly with AI researchers, PhD scholars, and postdoctoral fellows from India's premier institutions.

Build lasting research relationships through networking sessions, technical discussions, and open exchange across the conference.

03 AI Ecosystem Presence & Footprint

Align with a selective, research-first AI conference (~4% abstract acceptance) hosted by Plaksha, spanning domains including healthcare, agriculture, robotics, security, and foundational AI/ML.

Establish a considered footprint within India's AI research community across academic and industry audiences.

Sponsor commitments and creative assets due: September 30, 2026

Sponsorship Opportunities

Benefit	Platinum ₹5,00,000	Gold ₹3,00,000	Silver ₹1,50,000

Sponsorship Slots Available	2	2	2

All amounts in INR. GST applicable as per government norms.

À LA CARTE — COMBINE WITH ANY TIER, OR TAKE INDEPENDENTLY

Networking Dinner Sponsor — ₹1,00,000

Day 1 dinner (Oct 30), with a 10-minute speaking slot.

Networking Lunch Sponsor — ₹1,00,000

Day 1 (Oct 30) or Day 2 (Oct 31) lunch, with a 10-minute speaking slot.

Student Travel Grant Sponsor — ₹60,000

Travel and accommodation for 2 shortlisted abstract presenters; at least 1 a woman candidate.

Conference Track Sponsor — ₹1,00,000

Sponsor a track of 5 abstract presenters — e.g. “AI in Healthcare, presented by [Sponsor]” — carried into the call for papers, agenda and session signage.

Additional Sponsorship Opportunities

À la carte — combine with any tier or take independently.

Networking Dinner Sponsor

₹1,00,000

Sponsor the networking dinner on October 30 – Day 1.

Includes a 10-minute speaking slot during the dinner.

Networking Lunch Sponsor

₹1,00,000

Sponsor a conference day lunch (Oct 30 – Day 1 or Oct 31 – Day 2)

Includes a 10-minute speaking slot during the lunch session.

Student Travel Grant Sponsor

₹60,000

Fund travel and accommodation for 2 shortlisted abstract presenters — at least 1 must be a woman candidate.

Conference Track Sponsor

₹1,00,000

Name one research track of 5 abstract presenters — e.g. “AI in Healthcare, presented by [Sponsor].”

Track naming carries into the call for papers, agenda and session signage. Available across all ConfAI 2026 tracks.
